

Tomato Powder

Our **Tomato Powder** is made from field tomatoes grown in Gisborne New Zealand, where the long, hot growing season produces rich full flavoured tomatoes.

The Natural Choice

Made from field grown tomatoes with natural processing aids and no preservatives.

Safe

Cedenco follows world class food safety practices ISO9001, FSSC 22000 Certified

Processing Excellence

Tomato powder is manufactured from Cedenco tomato paste which is drum-dried and then milled.
